INTRODUCTION

Maurya Group is UK's leading ship chandler and offshore supplier. With our headquarters in London, we are able to service all UK ports. Furthermore, our extensive network of suppliers and trusted partner's allows us to cater to ports in the Netherlands, Spain, Dubai, Bahrain, Qatar, UAE and India.

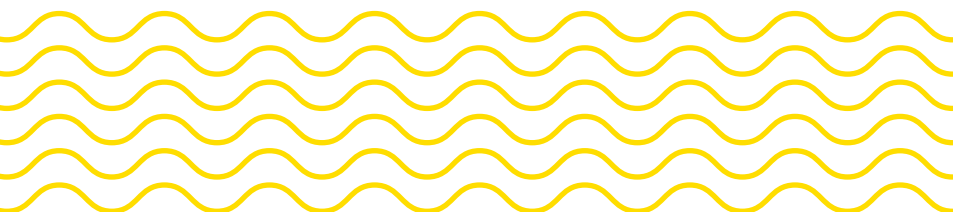

With an invaluable wealth of experience and knowledge, we aim to achieve the highest standard of service for all our customers. Over the years, we have observed that purchasers prefer suppliers that adapt to their buying style. And that is exactly what we do - **we adapt to you!**

Since our inception, we have grown effectively and organically; working tirelessly with ship owners, ship managers and ship agents to ensure that their ships are serviced and supplied in time at any port in the UK.

Our supplies are sourced both locally and internationally giving us the flexibility to meet all our clients' demands. Having seen Maurya Group go from strength to strength, our ambition is to grow the company even further and eclipse the maritime industry.

We are currently working on a customised software that will improve our efficiency and reduce quotation periods. More enquiries are being converted to orders and the software will build the foundations for a solid clientele network ensuring repeat business.
